

**REPORT ON SNA CONFERENCE RNC JAIPUR
ON 2 NOVEMBER 2015**

INTRODUCTION

The Student Nurses' Association, popularly known as SNA, is a nation-wide organization of nursing students. It was established in 1929 under the student wing of TNAI headquarter situated at New Delhi. The main purpose of forming the Association by TNAI was to promote all round development of the nursing students to facilitate professional growth and accredit them to join TNAI as qualified nurses. The purpose has been achieved in a span of 75 years.

A wide variety of activities are encouraged at national, state, zonal and at college levels for the SNA members, keeping in view aims and objectives of the Association. The diversity of activities is derived from the professional, social, cultural and recreational spheres to strengthen curricular and extra curricular activities of the student nurses.
