Subject: Geetanjali Medical College and Hospital, Rajasthan - Renewal of Permission for admission of 5<sup>th</sup> Batch of MBBS students for the academic year 2012-13.

Sir/ Madam,

In continuation to this office letter No. MCI-34(41)/2012-Med/108529, dated 26.05.2012 and with reference to your letter dated 29.05.2012, I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 5<sup>th</sup> batch of 150 MBBS students at Geetanjali Medical College and Hospital, Rajasthan for the academic year 2012-2013. The Board of Governors has granted approval after consideration of the compliance and Assessment report dated (23<sup>rd</sup> & 24<sup>th</sup> February, 2012) submitted to the Board of Governors of MCI. The permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- (i) No admission is permitted beyond the sanctioned intake capacity;
- (ii) Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- (iii) No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for Renewal of Permission for the next academic year and this Renewal of Permission is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

Yours faithfully,  
  
(Prof. Sanjay Shrivastava)  
Secretary
